NOVEMBER 2019

Socially Yours/Quality Care Christmas Party

We are again hosting another Christmas party with Socially Yours. This year's party will be on Tuesday 17th Dec, 1pm-3pm at Cheadle Hulme Ladybridge Cricket Club, Meadway Road, Cheadle Hulme, SK8 5NZ. If you would like to come along and join in the celebrations, tickets are £3, please contact the office. There will be hot food, music, a raffle and possibly a very special Christmas visitor!

Christmas Raffle

We are currently on the lookout for raffle prizes for our Christmas party. If you own a business and would like to donate a prize or have links with anyone that may be able to donate something then please ask, we would be so grateful. Perhaps you have an unwanted gift set or box of biscuits that won't be eaten, we will gladly use them as a prize! Thank you in advance.

Flu Season

We have been advised by public health that flu has now hit Stockport. We will, of course be on the lookout for any signs and symptoms during our visits and will act accordingly. We are really proud of the uptake in vaccinations amongst Quality Care staff this year. It is so important that we are vaccinated so as not to transmit this illness between clients and also between ourselves! Thank you to all staff who have taken up the offer of the vaccination this year.

New Staff Welcome

We would like to welcome a new member of staff to Quality Care. She is a great addition to our amazing team and we look forward to introducing you to her. Welcome to Quality Care of Cheadle Maria.

Socially Yours Cinema

Following on from the success of our Singin' in the Rain event at Stockport Plaza, we are really pleased to announce that we will continue working with Stockport Culture Champions to bring further social cinema events at the Plaza in the new year! Watch this space and our social media channels for further announcements.

Quality Care of Cheadle in the Community

Very recently, Natalie has been working with Lizzie from Stockport WIN (Wellbeing and Independence Network) to deliver a series of assemblies to the students of The Kingsway School in Cheadle on the subject of dementia. Natalie will be going back to the school to deliver full Dementia Friends sessions to students who have shown an interest. It's great to see young people taking such an interest.
